

**Are you a parent/carer of someone with a learning disability?**

**THE NEXT MEETING IS ON WEDNESDAY 9TH NOVEMBER**

If you are a parent or unpaid carer of a person with a learning disability aged 16+ the Canterbury District Partnership Group would like to hear from you.

The District Partnership Group works with the Kent Learning Disability Partnership Board to take forward Valuing People Now in Kent. The Canterbury District Partnership Group meets 6 times each year to discuss and debate issues concerning people with learning disabilities, their families and carers.

The District Partnership Group would like to hear your views so that we can better represent the needs of carers both on a local and county level. We will be holding an informal coffee morning for people to come and talk to us and each other.

We may not have all the answers or solutions but we are keen to build a support network and find out information for you, and hear about things that are working well/not working well.

The next coffee morning will be on  
Wednesday 9th November at 11am

.Please come along and join us at the Active Lives Day Centre in
